ANSWER
THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYURVEDA,
YOGA & NATUROPATHY, UNANI, SIDDHA AND HOMOEOPATHY
(SHRI SHRIPAD YESSO NAIK)
(a) to (c): Public Health being a State subject, the primary responsibility to ensure the availability of all systems of medicine of AYUSH in Government hospitals lies with the respective State/UT Governments. However, under the National Health Mission (NHM), technical and financial support is provided to States/UTs for strengthening their healthcare systems, including for mainstreaming of AYUSH through co-located facilities, based on the requirements posed by the States/UTs in their Programme Implementations (PIPs). Status of AYUSH Facilities Co-located at Various Healthcare facilities State/UT-wise including Gujarat is furnished at Annexure-I.
Further, the Central Government has launched National AYUSH Mission (NAM) during 12th Plan for imÂ¬plementing through States/UTs. The basic objective of NAM is to promote AYUSH systems of medicine through cost effective AYUSH services for providing AYUSH treatment facility in the hospitals and dispensaries, strengthening of educational systems, facilitate the enforcement of quality control of Ayurveda, Siddha and Unani & Homoeopathy (ASU &H) drugs and sustainable availability of raw-materials for ASU & H medicines. As per the information reported by the State/UT Governments, the number of AYUSH hospitals and dispensaries available in the country State/UT-wise including Gujarat is furnished at Annexure-II.
